

"We strive to be the **TOP GUNS** of our time."

EAST END - ELITE SHOOTING, STICK SKILLS & GOALIE SCHOOL CAMP

Long Island Top Guns has been established to provide a high competitive level of lacrosse for girl student-athletes across the Island.

Our philosophy here at the Long Island Top Guns is to give each student-athlete a competitive atmosphere of lacrosse in which each player will have the opportunity to learn all the knowledge the coaching staff has to offer, and hopefully thrive in the sport.

They will leave with improved individual skills from stick work, to shooting, to defending. They will also develop a greater understanding of the game. We guarantee a fun and positive atmosphere!
